Description

This training is being provided by the Hastings Police Department to assist outside agencies in completing their required two-hour block of anti-bias training. Ofc. Ostdiek is a School Resource Officer with HPD and is a certified anti-bias instructor. She has attended numerous trainings on the topic and has developed her own course that she has been teaching since 2021.

The course will begin in the Department 3rd floor classroom at 10am. Topics will include area demographics, types of biases, causes of biases, and strategies to mitigate/identify biases. The course will conclude at 12pm, and all registered attendees will receive a certificate of completion.
