## OVERVIEW

The Grey Groups Red Dot Sighted (RDS) course is an intensive three-day program tailored for law enforcement officers. It equips instructors to effectively integrate RDS-equipped pistols in their agencies. Participants will gain practical skills and insights to improve accuracy and grasp the dynamics of red dot sights in law enforcement settings. After successfully passing the qualification and teach backs, students will receive a certificate of completion. This fast-paced course includes 9-10 hours of live fire exercises each day. Note: This is not a beginner class; attendees must be proficient in firearm handling.
