

FAIR & IMPARTIAL POLICING

**The Fair & Impartial Policing® (FIP)
Basic and Booster Training of Trainers Course
April 30 – May 1, 2025
Hosted by NE Law Enforcement Training Center
Registration Deadline: April 9, 2025**

FIP's **Basic Training of Trainers** 2-day course “walks” teams of trainers through the content and training methodologies for the patrol officer and first-line supervisor curricula. This course provides opportunities for participants to practice teaching both curricula while FIP instructors provide technical assistance in small group workshops.

Trainers will also be introduced to FIP's **Booster** curriculum; a course intended to be provided to trainees 18 months-2 years after their initial FIP course. The Booster course reinforces core training concepts via high-quality video scenarios with decision tree modeling.

Upon completion of the TOT, participants are able to implement the FIP patrol officer, first-line supervisor and booster curricula within their own agencies.
