

# FAIR & IMPARTIAL POLICING

**The Fair & Impartial Policing® (FIP)  
Basic and Booster Training of Trainers Course  
April 30 – May 1, 2025  
Hosted by NE Law Enforcement Training Center  
Registration Deadline: April 9, 2025**

FIP's **Basic Training of Trainers** 2-day course “walks” teams of trainers through the content and training methodologies for the patrol officer and first-line supervisor curricula. This course provides opportunities for participants to practice teaching both curricula while FIP instructors provide technical assistance in small group workshops.

Trainers will also be introduced to FIP's **Booster** curriculum; a course intended to be provided to trainees 18 months-2 years after their initial FIP course. The Booster course reinforces core training concepts via high-quality video scenarios with decision tree modeling.

Upon completion of the TOT, participants are able to implement the FIP patrol officer, first-line supervisor and booster curricula within their own agencies.

## Training Information and Contact

### Location:

NE Law Enforcement Training Center  
3600 N. Academy Rd.  
Grand Island, NE 68801

### For on-site lodging accommodations, contact:

Steve Gobel | [steven.gobel@nebraska.gov](mailto:steven.gobel@nebraska.gov)

### Cost: \$900

*Includes curriculum materials and access to web-based resources. Additional credit card fees apply for charges over \$2,100. International shipping may incur an additional fee.*

### Registration link:

<https://links.fipolicing.com/20250430totnebraska>

**Eligibility:** You must be an experienced trainer currently employed by a law enforcement agency or training academy. At least two trainers, from each agency, should attend since the FIP curricula are team-taught.

**Licensing FIP Curriculum Materials:** FIP will sign a license agreement with participating agencies and academies, which authorizes trainers to use FIP's copyrighted and trademarked materials for a period of 3 years.

**Note:** Course registration must be completed by deadline listed above to ensure delivery of training materials.

**FIP National Instructors are current or retired law enforcement, representing local, county, state, and university police.**

## Account Registration and TOT Basic Enrollment

- On the class registration page, verify the class you which to register for and click “BUY NOW” or “ENROLL”. The “ENROLL” button will be available to anyone that has pre-purchased a class. If the “ENROLL” button was available to you, you are now registered for the class.

The screenshot shows the course registration interface. At the top, there is a navigation bar with a menu icon, a search bar containing 'All' and 'TOT', and a 'Browse' button. A shopping cart icon and user profile 'Hi, Test42 User42' are also visible. Below the navigation bar is a 'Back' button. The main content area features a course card for 'Law Enforcement - TOT Basic' (ID: LE TOT BASIC V 1.0) with a 'Not Registered' button and a 'SEE CLASSES AVAILABLE' button. To the left of the course card is a thumbnail image of a woman working at a computer. Below the course card is a sidebar with 'COURSE OVERVIEW', 'AVAILABLE CLASSES', and 'OTHER INFORMATION' sections. The main content area also includes an 'About This Course' section with a description: 'Training and certification of (non FIP, LLC) agency personnel to train the FIP curriculum to patrol and first line supervisors within their respective agencies.' Below this is an 'Available classes (1)' section with a 'Filters' dropdown and search filters for 'All Languages', 'All Locations', 'Available from', and 'All delivery types'. A 'CLEAR FILTERS' and 'APPLY FILTERS' button is present. The class details for '16-JAN-2025 - 17-JAN-2025 | 8:00 AM - 4:00 PM (EST) +1 others' are shown, including 'English | Blended', 'Virtual Classroom EST', 'Total duration: 16:00 Hrs | Cancellation policy exists', '30 seats available | 0 Waitlist available', and 'Class ID: 21694874535'. The 'Activities' section lists 'Class Day 1' (16-JAN-2025 | 8:00 AM - 4:00 PM (GMT-05:00)) and 'Class Day 2'.
