

# DON'T LEAVE SAFETY TO CHANCE!

We invite first responders to attend this training to help you recognize and respond to individuals with autism and other intellectual/developmental disabilities.

Wednesday, July 8th, 2026

Nebraska State Patrol | 4600 Innovation Dr. | Lincoln

INTRO TO AUTISM FOR FIRST RESPONDERS | 10:00 AM - 12:00 PM

This training will help you recognize the features of autism and understand how the characteristics might look in emergency situations. You'll learn how to communicate and interact effectively with these individuals and their families.
