VEHICLE SUPPRESSION & TACTICS COURSE

HOSTED BY: LANCASTER COUNTY SHERIFF'S OFFICE

OVERVIEW

This three-day course explores the principles, mission planning, and real-world challenges of containing vehicles in transit. Designed for specialized units, it emphasizes "surprised containment" tactics with unmarked vehicles to plan and execute arrests safely and effectively.

To reduce vehicle and foot pursuits AND manage/mitigate the risk to the public. The team can de-escalate the event and take the suspect into custody by limiting the suspect's mobility. The team can quickly transition into vehicle barricade operations by deploying armor vehicles and specialized vehicle-based tools/ tactics.
