

Building Better Shooters

Hosted by Omaha Police Department

Achieving quick and effective hits on target is at the core of effective gunfighting. To do this, firearms instructors need to instill practical, fundamental skills in their shooters. This advanced class is designed for instructors, offering insights into teaching marksmanship fundamentals, developing drills to enhance speed and accuracy, creating personalized drills, understanding the impact of adult learning, and providing coaching and mentoring tips for effective instruction.

Topics:

- Review the fundamentals of marksmanship
- Doctrine v. Dogma for firearms instructor
- Range safety rules v. firearms safety rules
- Instructional leadership
- Review of common marksmanship problems and shooter solutions
- Range training philosophy
- Adult learning theory for the range
- Neuro-linguistic programming
- Drills v. scenarios
- Target selection
- Range training aids
- Drill development

Duration: 3-Days (24-Hours)

Tuition: \$775.00

Ammunition: 800 Rounds

Equipment Required: Pistol w/ min of 3 magazines and a duty belt with all issued gear, body armor, flashlight, and handcuffs with key. Participants should come prepared to train in all weather conditions and should bring a hydration system or water bottle. Wraparound eye protection, ear protection, and brimmed hats will be worn during all live fire training. Participants should wear clothing suitable for training, but similar to garments worn while working.
