Basic Incident Response to Digital Evidence (G_XP_BIRDE-2302BSLTD)

Metropolitan Community College Police Department

5300 N 30 ST, Omaha, NE 68111

June 13 – 15, 2023, 7:30 am – 4:30 pm each day

The **Basic Incident Response to Digital Evidence (BIRDE)** provides training necessary to any criminal investigator who may be a first responder in a situation in which computer/cell phone-based evidence is or may be recovered. While not being overwhelmingly technical in delivery, this program provides a sufficient overview of technology in order to adequately prepare the criminal investigator for taking proper steps necessary to identify, collect, acquire, and preserve digital evidence during the course of an investigation. Upon completion of this training, you will receive all the information, software and equipment to successfully collect digital evidence.
