B. Deputy Director's Report

Deputy Director Gene Boner was absent. Director Mark Stephenson reported:

- Currently in week 7 and in the 2nd week of skills.

 - Field Training Officer-February 10-14, 2025: 29 students enrolled.

- Misconduct Cases: There was a meeting at NLETC on February 7, 2025 with Jon Hendricks who is a Special Assistant Attorney General who will be working on misconduct cases. There are approximately 10+ cases in line for formal hearings. Some of them will probably voluntarily surrender their certification once they receive the notice of the revocation hearing.
- State Crisis Intervention Program (SCIP) Grant: The money focuses on mental health crisis intervention and de-escalation training. Will be

proposing purchasing another Firearms Simulator for NLETC with part of the grant funds. There will be a number of training sessions available for both the basic training as well as regional training throughout the State. The Crime Commission and NLETC will take a larger leadership role in providing that training.

- Legislative Session: The bills this week are primarily focusing on probation. There are a couple of bills introduced by Senator McKinney that could have a significant impact on law enforcement.

IV. Old Business

A. Continuing Education Waivers

Chief Reeves asked if there was a motion to go into Executive Session.

MOTION

Sheriff London: I would move that the Council go into Executive Session based on the prevention of needless injury to the reputation of those requesting waivers. For the purpose of executive session we will allow the following to remain in the room; all Council members, Council Secretary, Legal Advisor Sara and Director Mark Stephenson and Jessie. Chief Graham seconded the motion.

Voting in favor: Sheriff London, Mr. McCarthy, Chief Reeves, Asst. Chief Stille, Sgt. Bolzer, Chief Graham. Sheriff Osmond was absent from the vote. Motion approved. The Council went into Executive Session at 9:11 a.m.

MOTION

Chief Graham: I make a motion to come out of Executive Session. Mr. McCarthy seconded the motion.

Voting in favor: Mr. McCarthy, Sheriff Osmond, Chief Reeves, Asst. Chief Stille, Sgt. Bolzer, Chief Graham, Sheriff London. Motion approved. The Council came out of Executive Session at 9:26 a.m.

MOTION

Voting in favor: Sheriff Osmond, Chief Reeves, Asst. Chief Stille, Sgt. Bolzer, Chief Graham, Sheriff London, Mr. McCarthy. Abstained: Sgt. Bolzer for Paige Uzzell. Motion approved.

B. Physical Task Follow-up

Director Mark Stephenson conducted a zoom meeting with the other training academies to determine whether physical task testing was consistent with all of the academies. The consensus of the meeting was to develop one list of physical tasks which would be distributed to all academies to ensure the audits are consistent and more efficient. Each academy would be able to conduct the tasks either "in training" or as part of a "testing day" and would indicate that as part of the academy audits.

Director Stephenson recommended that the created physical task test could take the place of the PRET test starting in 2026. Director Stephenson recommended that the test be given on day 1 of the academy and to allow 1 week for any remediation and retakes. This would prevent agencies having someone removed from training at 10 weeks. The other academies would not be required to change their entrance testing.

After much discussion, the Council recommended that Director Stephenson create the one list that all of the academies would follow for their physical task testing to ensure the tasks were following the job task analysis, and to bring it to the Council for approval. No action was taken.

C. Reciprocity

Sheriff Greg London held a subcommittee meeting on February 10, 2025 to discuss the issues with reciprocity. Director Mark Stephenson presented two options for changes to the reciprocity program. Both options would require some changes to Title 79, Chapter 3. Changes would include:

1. All reciprocity applicants would need to meet all of the admission standards in Chapter 8.
2. Applicants must have a minimum of two years of experience as a law enforcement officer.
3. Applicants must not have been inactive for more than four years. This change would prevent two things. One, if someone hasn't worked as an officer for a longer period of time, the job has changed from when they were officers and two, finding the training records of applicants would be easier. The longer someone is inactive the more difficult it becomes to find records of their training.

4. The applicants would be able to work while going through the reciprocity process but would have to complete the process within one year.
5. Must have graduated from an approved academy consisting of 70% of the NLETC hours. (Currently that would be 450 hours.) The applicants would not be able to "make up" training to reach the 70% of hours.

Director Stephenson reported that two plans were discussed at the subcommittee meeting.

The first plan consisted of changing the curriculum comparison. Currently the comparison is a line by line process. Which makes it difficult when it comes to Nebraska specific courses. Director Stephenson recommended using a block system instead of line by line.

Agency Counsel Sara Bockstadter stated that, "PSAC has the authority, both under statute and regulation, to determine what is equivalent training.

The second plan focused on creating a reciprocity training program. The reason that this was brought up was that 24 of the 45 states who do reciprocity require some kind of "training program" with an average of 150 hours.

Executive Director Tuma asked the Council if there was any appetite for just accepting another state's law enforcement certificate along with the requirements Director Stephenson outlined above. Sheriff Osmond was agreeable to that as it would make the process a lot faster.

Executive Director Tuma asked if a person seeking reciprocity would still have to comply with the physical standards. Agency Counsel Bockstadter said that was in statute.

Director Stephenson will draw up a plan for reciprocity and bring it back to the Council for approval and for any changes needed to the Rules and Regulations. No other action was taken.
