SMUGGLERS INC.® 2.0

"A COMPREHENSIVE APPROACH TO IDENTIFYING SMUGGLING TRADECRAFT AND COUNTERMEASURES"

Course Overview

A comprehensive 2-Day 20-Hour **proprietary** course was developed and is delivered by 'Shawn Pardazi' of Triple I Solutions based on his personal operational experience of conducting "interdiction Investigations" over a 25 interdiction career. Designed to enhance the student's ability to articulate the learned objectives and tactics in a report as well as prepare the student to effectively testify to the observations in a court proceeding. Upon completing this course, the student will not only have the knowledge necessary to be more effective, but also the confidence to employ the learned tactics to produce and deliver solid interdiction cases to the prosecutors!

* Triple I Solutions does not promote racial/ethnic profiling and policing for profit tactics.
