**3 Day / 24 Hours**

**October 04-06, 2021**

There will be a TCTI Tactical Shotgun Instructor Seminar at the Nebraska Law Enforcement Training Center in Grand Island, NB. October 04-06, 2021. This is a 3-day (24hr.) Instructor Course designed to educate and certify officers as instructors in training with the **tactical shotgun**. Classroom time, lectures and range training will be included in the 24-hour program. This course is designed with instructor development as the primary for the shotgun instructor. The 3 days training course included is to familiarize officers with a suggested course format for shotgun training, and instructor development skills. Successful course completion and certification will include:

**\*\* PASS/FAIL EVALUATION CRITERIA DURING THE TRANSITIONAL CORSE**

**\*\* NUMERICAL SCORE: SHOOTING EVALUATION COURSE (80% REQUIRED)**

**\*\* WRITTEN EXAMINATION (80% REQUIRED)**

- Survival shooting
- Safety considerations for range
- Dim light shooting
- Shooting from behind cover
- Tactical loading
- Survival stress issues with shotgun (gross motor skill training)
- Fundamentals needed to control the firepower of the police shotgun

Each student must provide the following for the instructor course:
