

# Terrorism Awareness 2023 "Understanding The Enemy Within"

Terrorism awareness training is an ongoing and constantly changing topic. Acts of terrorism can occur anywhere in the world, inclusive of the United States. Acts of terrorism such as the Boston Marathon bombing, San Bernadino shooting, and manhunts across the U.S. can occur anywhere. This training will offer the history of terrorism, Muslim extremism and how it's migrated to the United States, cross-cultures, terrorist tactics, how terrorists pick their targets, terrorist strategy, propaganda, a look at homegrown terrorism, case studies on attacks, threat identification, threat assessments, preventive measures for law enforcement and taking on a protective posture and recognizing the signs of terrorism.

## Topics include:

- Threats and Hazards Identification
- Cybersecurity
- Intelligence and Information Sharing
