To Whom It May Concern:

Lancaster County and the Crime Commission are excited to be hosting the 2023 Nebraska Community Aid & Juvenile Justice Conference. There will be a wide range of presenters focusing on providing excellent research-based prevention and early intervention services for our youth and families. Representatives from various counties across Nebraska will be in attendance.

The conference will be held on June 14-16, 2023 in Lincoln, NE. The conference will bring together nearly 500 professionals from a wide variety of disciplines and agencies that provide services to juvenile justice youth.

We are pleased to announce conference speakers are being paid through a grant, so the conference is free to participants. As a sponsor, you will have an opportunity to advertise, promote your services, and network with professionals from the juvenile services continuum.

Attached you will find a sponsor registration form. There are several different options for your organization to choose from. To ensure that your company has the opportunity to showcase your products and services, **please return the registration form and payment by May 1, 2023.** Registration forms and payment can be sent to:
