

TITLE 77 - JAIL STANDARDS BOARD

CHAPTER 4 - STANDARDS FOR COMMUNITY RESIDENTIAL FACILITIES - INMATE CLASSIFICATION AND ASSIGNMENT

001 It is the policy of the State of Nebraska that all inmates eligible for assignment to community residential facilities are subject to a meaningful and accurate classification process prior to assignment to minimum security housing, work release, work programs, electronic monitoring and educational release. All inmates shall be afforded equal protection and equal opportunity in classification, work assignments, and in consideration for any available facility programs. Inmates shall not be subjected to discrimination on the basis of race, national origin, color, creed, sex, economic status, or political belief.

002 Inmate Classification. In all parent agencies, a classification committee, board, or officer shall be designated. The classification process shall be initiated as soon as practical, however, not exceeding fifteen (15) consecutive days after admission. Written classification policies and procedures include the following provisions;

02.01 The classification committee, board, or officer shall gather sufficient information to determine the inmates' appropriate custody categories, housing assignment and eligibility for housing at the community residential facility.

002.02 The classification committee, board, or officer shall confirm a minimum security classification status on each inmate prior to their assignment to the community residential facility and document their determinations.
